

Club Duck Key 2025 Membership Application

An Equity/Shareholder Membership requires a one-time \$3,000 Membership Initiation Fee. An Associate Membership pays only annual dues, however, there may be a waiting list for associate member candidates. An Associate may bypass the waiting list by paying the Initiation Fee over a 6-year period, becoming an Equity/Shareholder Member after paying the full initiation fee.

Annual dues invoices are sent out by November 30th and are due by January 1st of each year for all types of memberships. A first-time applicant joining after January will pay dues on a prorated scale. **Please check one below:**
